

Wells Dug in 2017

1. **THE ANGLICAN CHURCH DOKA – KATARI MISSIONARY ARCHDEACONRY: O-21**

The Church is located in Doka along Kaduna-Abuja express way few kilometers North of Katari to Kaduna. The choice was necessitated by the need for water for the church building currently going on. The well is also serving the community where the Church is located. The estimated number of beneficiaries is 150 people with the prospect of growing. Well sponsored by Wederell Trust

2. **THE ANGLICAN CHURCH GIDAN MALLAM (GIDAN OGAH) – KATARI MISSIONARY ARCHDEACONRY**

The Church is located in the north-east of Katari settlement between Katari-Kachia Road. It is over 20 kilometers off the tarred road into the interior rural area. The community fetches drinking water from a river that is about two kilometers away which normally dries up in the dry season. The well is serving over 350 people now. Well sponsored by Wederell Trust.

3. **THE ANGLICAN CHURCH WUSE GBOLO – JERE MISSIONARY ARCHDEACONRY**

The Church is located south-east of Jere settlement along Kaduna-Abuja express way. It is about three kilometers off the express way toward Zuba from Kaduna after Jere.

Wells Dug in 2017

Before the digging of the well, the only source of water was a small stream that usually dries up during the dry season. The well is now serving a community of about 250 people. Well was sponsored by Burton Dasset, Ansley and Kineton churches.

4. THE ANGLICAN CHURCH BAKUCHI – Tafa MISSIONARY ARCHDEACONRY

The Church is located north-west of Tafa settlement along Kaduna-Abuja express way. It is over ten kilometers off the express way. The choice is necessitated by the need for water for the church building and lack of water in the community where the church is located. The well is serving a community of about 350 people. The well was sponsored by Holy Trinity Leamington and St. Peter's Kineton.
