

Prayer Diary

February 2021

“The joy of the Lord is your strength” (Nehemiah 8.10)

Almost 1600 years ago Jerusalem lay in ruins, its people exiled to Babylon. Nehemiah is in the service of the foreign ruler who conquered it. He finds himself in a position of trust and influence. The news of broken city walls, a broken people, destitution, and economic and spiritual breakdown of those left behind break Nehemiah’s heart before the Lord and directs his prayer in mourning, tears, fasting and repentance. His prayer is grounded in his trust in God, and the covenant promises of God to gather, *restore and bring to the place I have chosen as a name for my dwelling* (Neh 1.8-10).

The Lord paves the way for Nehemiah’s return to Jerusalem, and amidst opposition and factions, with faith and resolve he oversees the re-building and restoration of the city. His trust in the face of opposition holds firm: *The God of heaven will give us success* (2.20). His team undertake different tasks, the work gets completed and the exiled begin to return. A day of gathering takes place, the prophet Ezra reads the law; there is worship and weeping. The people of God are encouraged to dry their eyes, to mark the day as sacred to the Lord, to celebrate God’s restoration of his city and people. *This day is sacred to our Lord. Do not grieve for the joy of the Lord is your strength.* (8.10)

As we look towards the spring, may we be encouraged to pray for the day of return that is coming, the day of rebuilding that is coming, and that with our worship and tears, we will journey from grieving to celebration again, for the joy of the Lord is our strength.

The Venerable Barry Dugmore
Archdeacon Missioner

Southam Deanery in 2021

With the continued upheaval of the pandemic, we face further personnel challenges this year.

We are so very sorry to see Jane Everitt retiring early on health grounds – she remains rooted in our hearts and prayers as she and Tim move closer to family, and goes with our love and blessing.

As we welcomed Andy Batchelor to Harbury in a restricted distanced way, and a new model began by drawing Ufton into the Harbury and Ladbroke Benefice, we are also exploring new appointments in other parts of the deanery. This runs alongside trying to continue to develop our collaborative models of working together, so that we function more as a team than lots of separate parishes. Of course, this has become much more difficult given the restrictions of the pandemic, but we hope that when these are lifted and there is a confidence about meeting again, we can continue to strengthen this vision.

Please pray for our clergy – we continue to have a considerable number of funerals, many Covid-related, and the effect this has on communities and churches is very noticeable.

As with others around the Diocese, the clergy feel the weight of this, so please wherever you are, support and pray for your local ministry teams, clergy and lay.

We continue to pray for God to use this time to build His kingdom in new ways, and that we might have the courage to listen and embrace the things we need to do next.

Excerpt of a prayer from Tim Challies

My Good and Gracious Father,

In your Word you give the sure promise that you have loved me since before the foundation of the world. That love was always with me and held me fast through another year. You led me in each step I took. You led me around the wilderness to the places of cool rest and quiet. You led me through dark valleys to the joy beyond. You were there even in times when I wandered and went astray. There was nowhere I could go that was beyond your love, beyond your reach, beyond your care and compassion. You are so good and I am so grateful.

Father, I trust and I believe that your love and your kindness will be my theme in the year ahead. I entrust the future to you and I do it with joy and with confidence. I do it with sure hope that you already know each step I will take and that you will be with me to direct each one of them.

If you have appointed trials and tribulation, I know that you will guide and comfort me through them all. If I have to pass through persecution or times of deep temptation, I can have full confidence that you will never leave me nor forsake me. If this is to be the year you call me home, I can receive that with joy, knowing that I will rejoice to be in your presence at last. If this is the year that Christ returns—Please, may it be the year that Christ returns!—, then I will join with all Creation in rejoicing and praising your name.

But if you grant me length of days, and if you grant me health and safety through the year ahead, it is my prayer and my deep desire that I would live them all in your service and to your glory. Please grant me a grace that guides, sustains and sanctifies me every day and every hour, that in this new year I would not live a moment apart from you. Let me rely on your Spirit to supply every word I need to speak, to direct my every step, to prosper all I do, to build up my faith, and to grant me the heartfelt desire to display your glory, to advance your kingdom, and to declare your gospel.

Whatever may come in the year ahead, I pray that you would glorify yourself through me. In times of joy or sadness, in times of security or trial, in times of peace or temptation, make yourself known and make yourself great through me.

I pray this in the mighty name of Jesus. Amen.

Blessing our regions

Extracts of prayers from the monthly Southam deanery online service.

Deut 6: 24-26 'May the Lord bless you and protect you.
May the Lord smile on you and be gracious to you.
May the Lord show you his favour and give you his peace.'

from Revd Kim McCaffery, (Leamington Spa Jubilee)

Begin at once; before you venture away from this quiet moment, ask your King to take you wholly into His service, and place all the hours of this day quite simply at His disposal, and ask Him to make and keep you ready to do just exactly what He appoints. Never mind about tomorrow; one day at a time is enough. Try it today and see if it is not a day of strange, almost curious peace, so sweet that you will only be too thankful, when tomorrow comes, to ask Him to take it also, - till it will become a blessed habit to hold yourself simply and "wholly at Thy commandment for any manner of service". The "whatsoever" is not necessarily active work. It may be waiting (whether for half an hour or half a lifetime), learning suffering, sitting still. But shall we be less ready for these, if any of them are His appointments for today? Let us ask Him to prepare us for all that He is preparing for us.
