

DIVEST YOUR CHURCH

JOIN THE EASTER DECLARATION

Operation Noah's divestment campaign, **Bright Now**, is inviting local churches of all denominations to take action on climate change by making **fossil fuel divestment pledges** and joining the **Easter Declaration for Fossil Free Churches** on **23 April**.

Can you support us?

The campaign is **gathering momentum**, with recent steps forward from the **Church of England** and the **Methodist Church**. Getting your local church to divest is a **powerful action** to build further support for divestment in your wider Church denomination.

Did you know?

Even if your church doesn't hold any investments, churches can still **join the campaign** by making a pledge not to invest in fossil fuels **in the future**.
