### Role Purpose:

The primary focus of this role is to assist Together for Change: Coventry and Warwickshire (TFC) in transforming communities in partnership with the Coventry Diocesan Board of Finance.

The role will involve the support of and the capacity building of churches, people and local community groups (regardless of faith or no faith) who are tackling issues of poverty, deprivation and disadvantage through the work of the 'Saints' projects.

This post holder will work across our two Nuneaton 'Saints' locations, whilst also partnering with the local college and parish church, to bring about positive community transformation that benefits young people between the ages of 11-18.

### Local Context:

Saints Central launched the busy and well-established Saints Student Lounge program in 2021 to support young people between the ages of 11-18 with access to a safe place to receive assisted study, eat and engage in fun educational workshops. With the launch of our new Saints location in Bar Pool, we are looking to expand our Saints Student Lounge Program in a new location, running alongside our Saints Central Student Lounge.

We will also be partnering with a local college to connect with the young people during term-time and aim to meet young people who are currently not met by the local church by partnering with the local parish church, St Nicholas, during the term-time and the school holidays.

### **Key Relationships:**

The Saints projects are led by the charity Together for Change, in partnership with the Coventry Diocese Board of Finance.

The post-holder will work with two other youth workers, one who will act as lead youth worker, and will be accountable to and line managed by the Centre Manager for Saints Central and to the TFC Board. They will work collaboratively with the Saints Bar Pool staff team, including the Saints Bar Pool Centre Manager.

The post-holder will work collaboratively with the Parish Priest at St Nicholas Church, and King Edward's VI College. They will also work collaboratively with volunteers, stakeholders, partners and agencies to ensure the best youth service provision possible.

### **Main Activities and Responsibilities:**

- Supporting the Student Lounge project across the Saints locations, including the discharge of administrative duties (including budget control, quality assurance, session planning and evaluation, record keeping, risk assessments, safeguarding and health and safety) in line with the funding agreements.
- Establish and lead the Student Lounge program at King Edward VI College to provide a safe space for young people with games, activities and focused workshops throughout the week during term time.
- Work with St Nicholas Parish Church to connect young people with the church through Christian youth activities, school holiday programmes and focused projects, such as youth alpha and Christian social justice projects.
- Develop positive, professional relationships with young people and make regular contact with them in order to identify and assess their social and informal educational needs.
- Support a programme of activities, facilities and opportunities to meet social and informal education needs of young people.
- Promote and encourage young people to plan and participate in activities to enable their empowerment, individually or collectively, and to take responsibility for, and control of, their own lives, signposting young people to other agencies such as the Children's Society, who are based at Saints.
- Assisting in the motivation and support of staff and volunteers.
- Maintaining quality of youth work in the session, ensuring the property is protected and behaviour policies are adhered to.
- Liaising with relevant staff to ensure clear communication at all times with others associated with the centre/project, churches and schools.
- Attend and where appropriate lead staff planning meetings of the particular setting/programme/project and contribute so that effective programme planning, preparation and evaluation of youth work takes place.
- Liaise with the Saints Central Centre Manager, King Edward VI College and St Nicholas Church and provide regular feedback on the project and its successes and difficulties.

- Undergo any training necessary, including safeguarding, first aid and mental health first aid.
- Report back to the TFC Central Team where required to support monitoring, evaluation and feedback as requested and in line with the funding agreements.

To undertake any other duties commensurate with the post at a level consistent with the principle responsibilities of the post and the JNC report.
