We expect all employees to promote and model equity, diversity and inclusion in their working practices and relationships and to uphold principles of equality of opportunity in accordance with our legal and theological obligations as written in Galatians 3:28 which says, "There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus".

As an equal opportunities employer, we particularly welcome applications from United Kingdom Minority Ethnic / Global Majority Heritage (UKME/GMH) candidates who are currently underrepresented in our organisation. All appointments will be made on merit of skill and experience relative to the role.

All employees undertake mandatory Diversity, Equity and Inclusion training during their employment with us.

Role Purpose

The primary focus of this role is to assist Together for Change: Coventry and Warwickshire (TFC) in transforming communities in partnership with the Coventry Diocesan Board of Finance.

The role will involve the support of and the capacity building of churches, people and local community groups (regardless of faith or no faith) who are tackling issues of poverty, deprivation and disadvantage through the work of the 'Saints' projects.

This post holder will work at our Saints Central location in Nuneaton, whilst also partnering with the local college and parish church, to bring about positive community transformation that benefits young people between the ages of 11-18.

Local Context

Saints Central launched the busy and well-established Saints Student Lounge program in 2021 to support young people between the ages of 11-18 with access to a safe place to receive assisted study, eat and engage in fun educational workshops.

We will expand our Student Lounge by partnering with a local college to connect with the young people during term-time and aim to meet young people who are currently not met by the local church by partnering with the local parish church, St Nicholas, during the term-time and the school holidays.

Key Relationships

The Saints projects are led by the charity Together for Change, in partnership with the Coventry Diocese Board of Finance.

The post-holder will work with two other youth workers, and will be accountable to and line managed by the Youth Project Lead.

The post-holder will work collaboratively with the Parish Priest at St Nicholas Church, and King Edward's VI College. They will also work collaboratively with volunteers, stakeholders, partners and agencies to ensure the best youth service provision possible.

The scope and hours of this role may increase to work across our second Saints location in Bar Pool. This is subject to review.

- Support a programme of activities, facilities and opportunities to meet social and informal education needs of young people.
- Promote and encourage young people to plan and participate in activities to enable their empowerment, individually or collectively, and to take responsibility for, and control of, their own lives, signposting young people to other agencies such as the Children's Society, who are based at Saints Central.
- Assisting in the motivation and support of staff and volunteers.
 - Maintaining quality of youth work in the session, ensuring the property is protected and behaviour policies are adhered to.

- Liaising with relevant staff to ensure clear communication at all times with others associated with the centre/project, churches and schools.
- Attend and support staff planning meetings for each particular setting/programme/project and contribute so that effective programme planning, preparation and evaluation of youth work takes place.
- Work with the Youth Project Lead, King Edward VI College and St Nicholas Church and provide regular feedback on the project and its successes and difficulties.
- Undergo any training necessary, including safeguarding, first aid and mental health first aid.

The 'Saints' projects works with an ecumenical group of Nuneaton churches on its steering group, with the Church of England as the lead denomination, and therefore will involve sensitively working on behalf of Christians from all denominations to support youth work in the town. (It is not an inter faith hub.) The post holder will need to have a Christian understanding of what is happening in the building, that the projects are not simply community projects but they have a spiritual dynamic to them. We will also be working with the local Church of England parish church and hosting Alpha groups, discipleship evenings, worship and prayer nights at the Saints hub. It is therefore an Occupational Requirement (Schedule 9 part 1 of the Equality Act 2010) of this post to have a committed Christian faith and a passion for enabling churches to transform their communities.

This post is subject to enhanced level of DBS disclosure.

The post holder will need to prove that they have the right to work permanently in the United Kingdom.
