

MODEM Conference 2022 - Uncharted Journeys

Our 2022 conference is being held in person at Sarum College from 20-21 November, in association with Sarum College.

As we chart our way through the Pandemic many are seeking certainty and direction but are finding that the only certainty is uncertainty. MODEM's 2022 conference is an opportunity to explore, from a range of perspectives, our journey forward into the future.

Keynote Speaker: Professor Margaret Heffernan

The conference theme – 'Uncharted Journeys' – mirrors the title of Margaret Heffernan's book 'Uncharted: How to Map the Future Together', published in 2020, and we are delighted that Margaret is able to join us as our keynote speaker this year.

Margaret's other books include 'Wilful Blindness' and 'A Bigger Prize'. Her profile encompasses entrepreneur, chief executive, adviser to senior executives around the world, professor at the University of Bath, and writer for the Financial Times and Huff Post.

We will explore our own uncharted journeys and those of our other contributors, including:

The Revd Professor James Woodward, Principal of Sarum College

Rt Revd Lusa Nsenga-Ngoy, Bishop of Willesden

Jackie Le Fevre, Consultant & Author

The conference will follow MODEM's usual pattern of MODEM, offering opportunity for conversation and reflection sparked by challenging and thought-provoking input from our speakers.
