

New Growth

We hope that every parish/benefice
will grow from its own life a
new worshipping community

Why do we need to start something new?

**What do we mean by a
New Worshipping
Community?**

- Can we call our **Toddler Group** or our **Lunch Club** a new worshipping community?
- We're adding **another service** on a Sunday, does that count?
- What about our monthly **café church /messy church/outreach service?**

New

Are you reaching into new areas or groups to make new disciples of Jesus?

Worshipping

Do you gather regularly for worship, prayer & bible study or intend to do so?

Community

Are you growing as a community in love for God, learning to live as Christ's disciples?

What are the main types of
New Worshipping
Communities?

Fresh Expressions

CHURCH PLANTING

Stepping out -
where should we start?

Who are you?

Who has God put on your heart?

Who are the people of peace locally?

What's in your fridge?

What's next?
