

A Service of Thanksgiving

Join us for a service of thanksgiving for the ongoing dedication and sacrifice of our NHS and other frontline workers during the COVID-19 pandemic.

In this sacred space, come to recognise and honour the experiences and contributions made by these extraordinary individuals.

During this time we will highlight the shared experience of our local healthcare community; a common story, different to each individual involved - bound together by a commitment to support and care for our community.

Sunday 12th September 2021

4:00pm

Coventry Cathedral

1 Hill Top, Coventry
